DENIAL OF STATE ENGINEER

This application is hereby denied on the grounds that since the applicants did not comply with the provisions of the Amended Stipulation, to issue permits under said applications would threaten to prove detrimental to the public interest, and since no permits were issued under the water rights that are sought to be changed, there are no water rights to support the change applications. No ruling is made on the merits of the protest.

Work must be prosecuted with reasonable diligence and be completed on or before: \_\_\_\_\_

Proof of completion of work shall be filed before: \_\_\_\_\_

Application of water to beneficial use shall be filed on or before: \_\_\_\_\_

Proof of the application of water to beneficial use shall be filed on or before: \_\_\_\_\_

Map in support of proof of beneficial use shall be filed on or before: \_\_\_\_\_
